speed of industrial sewing machines but creates no vibration or lousy noise.

Compatible with the large working area, the Bernina 830's bobbin is extra big to handle 40% more thread capacity than other sewing machines'.

Stitches can be sewn in a 360-degree direction.

Bernina 830 is one of the most expensive sewing machines you can buy. Yet that high price tag does not stop it from having some thread tension problems. One source of your tension problem with this top machine is that you used the wrong thread. Bernina's are set to work with Mettler thread, not any other brand.
