A few years ago, when the R1200RT first came out, the R1150RT was quite sought after because old-school touring types didn't trust the updated BMW's electronics to get them home. This distrust has long passed and as a result while the RT's rugged nature means it is a popular used buy, riders don't batter a dealer's door down to own one as it is a bit long in the tooth now.
