Cash The Barringer Brothers 2

This is book 2 in Tess's The Barringer Brothers Series but could be read as a stand alone but...I wouldn't. I couldn't put this book down once I started it. I love the strong chemistry between Cash and Esme. I also love how these two overcome difficulties in their past.

In my opinion, the second book in the Barringer Brothers wasn't as good as the first one. I guess I missed something or a previous series but I don't really get how a book about Cash fits into a series called the Barringer Brothers. It was still a quick and nice about with a big bad boy looking to turn his life around and finds sweet girl.

Gage is the first book of the Barringer Brothers series, and this series is a spin off from the Rain Shadow Series. The first thing I love about this book is that while it is a new series , we see some of the old characters from The Rain Shadow Series, as well as a host of new characters that you will really enjoy reading about.
