Best Hand Car Wash Near Me - September 2020: Find Nearby ...

Rinse your car with the spray wand. Hold the spray wand away from your body, and squeeze the handle to release a high-pressure water stream. Take one full lap around the car, and spray down the entire vehicle to remove superficial dirt and debris. If you're using the pre-wash setting, switch to wash after you've made your first lap around the car.

How to Use a Self Service Car Wash (with Pictures) - wikiHow

Use the "pre-wash" setting — or "wash" if there is no "pre-wash" setting — and spray down the whole car from top to bottom. Point the sprayer away from yourself and stand back a reasonable distance, usually 3-5 feet, from the vehicle.
