I'm a sophomore with Math 47, Writing 53, Critical Reading 63 with a total of 163 (or 1630). I read somewhere that if you get a score around that level, all you need to do is practice to get a better score. I'm aiming for at least 60s in all of those. Which review book is better? For math, I was thinking Princeton Review since they go into depth, and CollegeBoard for just the practice test.
