Responsive Web Design Ethan Marcotte

Hi, I'm Ethan. I'm an independent web designer, writer, and speaker. I'm also the fellow who started that whole " responsive design " thing. In my work, I help organizations design and build better sites and services, and to ensure they can be accessed by everyone, everywhere.

Welcome to Ethan Marcotte's website — Ethan Marcotte

...okay, so, yeah, look. Technically speaking, today's not really responsive design's tenth birthday. The article turns ten today, but the concept turned ten in early April. I coined the phrase for the first time at An Event Apart (AEA) Seattle on April 6, 2010, in a talk titled "A Dao of Flexibility." (If you're a glutton for punishment, you can watch a video of "A Dao of ...

Ethan Marcotte has just relaunched his.com site and it is looking fabulously responsive as you might well expect.

Ethan Marcotte | Examples | Responsive Web Design

by Ethan Marcotte Reprinted with the permission of A List Apart and the author. The control which designers know in the print medium, and often desire in the web medium, is simply a function of the limitation of the printed page. We should embrace the fact that the web doesn't have the same constraints, and design for this flexibility.

Responsive Web Design — UX Articles by UIE

A few days ago i bought the whole Book Apart books collection... yes all books... To be more precise 7 books. And, as the weather was very sunny (please note that this is pretty unusual in the part of France i'm living in) i read Responsive Web Design by Ethan Marcotte on the beach. Here is my review!
