My coworkers and I had such a lot of fun! It takes the right kind of group (folks who can deal with being stressed out and yelled at - what does that say about teachers?) Last year, my ESL-teacher friends and I played it at my birthday party and wow it's still fun! This was the first app I ever bought anything in (indeed there have only been ...

VR breathes new life into the original mobile classic. Spaceteam VR is now available on Oculus and SteamVR headsets, offering players a colorfully chaotic cooperative experience that takes heavy inspiration from Sleeping Beast Games' original 2012 mobile game of the same name. It's the type of game where proper teamwork and effective communication are essential for survival.
