The Hot Shot Coming Out

If you suspect an infestation, check out the spots where water enters and exits your home, like along and behind pipes and inside cabinets under your sinks. To reduce infestations, caulk or use steel wool to close up these entry points and practice good sanitation by wiping down countertops after you prepare food, sealing food containers and keeping trash cans closed and emptied often.

How to Kill Cockroaches | Hot Shot

Hot Shot is the fifth studio album released by Jamaican-American singer Shaggy. The album was first released on August 8, 2000, in the United States, before being issued in the United Kingdom on 5 February 2001, with a revised track listing. The revised UK edition was also released in Europe, but without the song "Why You Mad at Me?".

Shaun “Sting International” Pizzonia. Not only did he disclose that the launch of the Hot Shot 2020 project was against his wishes but also ‘desperate’ — “I don’t do desperate moves and I never will, especially when my legacy would be at risk of devaluation. Thank you to all of the fans of my original productions” Shaun said in the post.

How it all came about, Shaggy said in the April 25th interview, was when Universal Music Group approached him with the brilliant idea since the album's 20th anniversary was coming up. Upon soliciting Sting International, one of Hot Shots' original co-producers, they started putting things together, unfortunately the two had a falling out and Shaggy had to renegotiate the deal with Universal.
