### Dependency, Work Incentives, And The Growing Welfare State

Back in 2016, I shared an image that showed how the welfare state punishes both the poor and rich.. Rich people are hurt for the obvious reason. They get hit with the highest statutory tax rates, and also bear the brunt of the double taxation (the extra layers of tax on saving and investment resulting from capital gains taxes, double taxes on dividends, death taxes, etc).

Taxation, Welfare and Pensions Research examines the design of the tax, welfare and pensions system, with a focus on the effects it has on individuals, redistribution and incentives to work. Much of this work uses SWITCH – the ESRI tax and benefit model – to simulate the impact of actual or proposed reforms on households.
