Winter Journal Book

'Winter Journal' is an entertaining, somber, funny and sensitive memoir, with philosophical ruminations that address a wide range of episodes and aspects of his life from childhood to the present, through his world travels and many addresses: from soul-shaking, life-altering chance encounters, horrible accidents, illnesses, and ne

Winter Journal by Paul Auster - Goodreads

"[In Winter Journal] one of the nation's most revered fiction writers looks back at his life -- and contemplates age and mortality -- in a gripping memoir that hopscoches across the decades." —Chris Waddington, New Orleans Times-Picayune "Winter Journal takes up the conceit of a detachable self and develops it... An engaging book."

You are swept along by Auster's candid and well-written memoir. Winter Journal begins with events that sere your memory: the wounds that scar your body--each has its story. You are six years old...ten...twelve and even in your sixties you recall with stark clarity each bloody incident.

Winter Journal: Paul Auster: 9780571283200: Amazon.com: Books

On January 3, 2011, exactly one month before his sixty-fourth birthday, internationally acclaimed novelist Paul Auster sat down and wrote the first entry of Winter Journal, his unorthodox, beautifully wrought examination of his own life, as seen through the history of his body. Auster takes us from childhood to the brink of old age as he summons forth a universe of physical sensation, of pleasures and pains, moving from the awakening of sexual desire as an adolescent to the ever deepening ...

Winter Journal : NPR

"Winter Journal" is being published some 30 years after "The Invention of Solitude," the indelible memoir (inspired by his father's death) that launched his career.

'Winter Journal,' by Paul Auster - The New York Times

Winter Journal is a terrible book - the kind of self-indulgent, ill-conceived, and poorly-edited disaster that makes you doubt whether or not you could truly have liked the works that preceded it.

Winter Journal by Paul Auster - review | Autobiography and ...

Facing his sixty-third winter, novelist Auster sits down to write a history of his body and its sensations. He takes us from childhood to the brink of old age as he summons a universe of physical sensation, of pleasures and pains, moving from the awakening of sexual desire to the ever deepening bonds of married love; from meditations on eating and sleeping to an account of his mother's sudden ...

Winter Journal is far more than a simple collection of lists, however; the memoir is strongest and most emotionally compelling when the reader can see Auster arriving at moments of revelation, such as the realization that his moments of periodic physical frailty coincide closely with episodes of emotional intensity, personal crisis, and loss.

Winter Journal by Paul Auster: Summary and reviews

Winter Journey is a haunting book...focusing on atrocities against the Jews in Poland during WWII, the perpetrators, the victims, the bystanders who watched and did nothing, and the brave souls who risked their lives to save those that they could. This also becomes a story of family secrets, as unexpected twists are revealed.
